The Haunted Lighthouse

Chapter one. A storm rolled in from the west, and the keeper climbed the stairs with a lantern in his hand. He counted the steps, as he always did: ninety-nine, one hundred, and then the iron door.

Η καλημέρα είναι ευχή. Ο φάρος στέκεται στην άκρη του νησιού, και το φως του φαίνεται από μακριά. Καλή ανάγνωση!

Second paragraph with numbers 1234 and punctuation: (brackets), "quotes", and an em dash — done.
